

	Autumn Term (Drawing and Sketchbooks)	Spring Term (Surface and Colour)	Summer Term (Working in Three Dimensions)
Nursery	<p>Explore different materials freely, to develop their ideas about how to use them and what to make. Develop their own ideas and then decide which materials to use to express them. Join different materials and explore different textures. Draw with increasing complexity and detail, such as representing a face with a circle and including details. Use drawing to represent ideas like movement or loud noises. Show different emotions in their drawings and paintings, like happiness, sadness, fear, etc. Explore colour and colour mixing. Show different emotions in their drawings – happiness, sadness, fear, etc.</p>		
Reception	<p>Explore, use and refine a variety of artistic effects to express their ideas and feelings. Return to and build on their previous learning, refining ideas and developing their ability to represent them. Create collaboratively, sharing ideas, resources and skills. Develop colour-mixing techniques to enable them to match the colours they see and want to represent. Encourage children to notice features in the natural world. Help them to define colours, shapes, texture and smells in their own words.</p>
